### QUARTER SECTIONS

TOWNSHIP INDEX (State Assigned 4-Digit Township Code: 1827)

Parcel Identification Numbers (PINs) in Jefferson County are based on the township, section, and quarter section the parcel falls within. PINs follow the pattern TT-SSQ-BB-LLL. TT is the two-digit township code; SS is the two-digit section number; Q is the quarter section code; BB is the two-digit parcel block number; LLL is the three-digit parcel lot number. When a parcel falls within two or more quarter sections, in most cases the PIN will be based on the quarter section (along with its associated township and section) with the most area within the parcel. Township codes, section numbers, and quarter section codes can be found in the indices above. Parcel block numbers are found enclosed in hexagons (⬡) on the map. Parcel lot numbers are found enclosed in ovals (⊖) on the map.

### DISCLAIMER

Caution: This map is for assessment purposes only. It is not necessarily accurate by surveying standards. DO NOT USE FOR LEGAL CONVEYANCE. Subsequent editions with updated information will be published on a continual basis. Therefore, the information contained on this map may be modified or altered.
